

ABOUT EAPRIL

The European Association for Practitioner Research on Improving Learning (EAPRIL) promotes practice-based research on learning issues in the context of initial, formal, lifelong, and organisational learning. EAPRIL is unique in bringing together those interested in the crossroads between research and practice but also between education and professional learning. The mission of EAPRIL is to improve learning and professional development in a variety of contexts by promoting practice-based research. EAPRIL supports all research that has significant impact for learners and practitioners by bridging the worlds of practice, research, and policy.

Since 2006 EAPRIL organises **annual conferences that bring together more than 400 participants coming from Europe and overseas**. The conference public is very divers consisting of researchers, practitioners, and policy makers. The conference offers activities allowing to interconnect and exchange research and experience with fellow researchers, practitioners, and policy makers across a variety of fields.

In 2025, the EAPRIL conference will be organised at the **University of Malta in the stunning city of Valletta from November 25-27, 2025!**
