What is EAPRIL?

EAPRIL brings together those interested in the crossroads between **research and practice** but also between **education and professional learning**.

The **MISSION** of EAPRIL is to improve learning and professional development in a variety of contexts by promoting practice-based research.

Why EAPRIL?

450 researchers, practitioners and other professional educators from all over the world meet at our conference!

*25 different nationalities attended EAPRIL 2022!

We want to introduce our delegates to the **latest developments in research methodology and instruments**, as well as **new learning tools for practice**.

As a sponsor and/or exhibitor you will get the chance to:

- Showcase your publication portfolio or other products
- Network and discuss with leading educational experts
- Build partnerships with members of our research community

In 2023, the 16th annual EAPRIL conference will take place from November 22-24 in beautiful and vibrant Belfast, UK in the historic Assembly Buildings.
