

Tartu Secondary School for Adult Learners (Adult Education)

Municipal school offering basic and secondary education:

- Basic education to learners who have exceeded the age of compulsory school attendance (17 years),
- Secondary education regardless of age.

Grades 6-12, 20-25 students.

Admission in the beginning of each study period (4 times a year).

Individual study plans are made upon admission, together with a student counsel: full curricula or selected subjects, full time or part time studies.

Classes 9.00 to 15.00 (Mo-We) and 16.30 to 20.35 (Mo-Thu).

Provider of instruction in Tartu prison.

Possible reforms ahead, as government wishes to provide adult education in state secondary schools or vocational schools, starting from 2022.
